*Within the grounds of **Pearl Harbor** are a number of exhibits, displays, memorials, and museums, honoring not only the 1,177 victims of the Japanese attacks, but all of those who bravely served in World War II. Built over the wreckage of the USS Arizona, the Memorial is a sobering experience where visitors to Hawaii come to pay their respects.*

Please note: An on-time departure this morning is essential! Any delay will increase wait time at Pearl Harbor and loss of time for the city tour! Also – no personal items should be brought on tour, purses, backpacks, shopping bags, large camera cases are not allowed at Pearl Harbor for security reasons and the bus company will not accept liability for any personal items left on the bus.

Lunch will be on your own along with shopping time at the Aloha Stadium Swap Meet and Marketplace. Admission is \$1 and is not included in tour cost.

Nu’uanu Pali Lookout - Known as “Cool Height Cliff,” these 985 foot cliffs overlook the **Koolau Mountain Range** and they offer one of the best views on Oahu. It was here that King Kamehameha and his warriors defeated the Oahu armies by sending them over these steep, forested cliffs and claiming his victory and uniting the Hawaiian Islands. The breathtaking sights and compelling history of the battle fought here makes for an exciting and memorable experience.
