[drumline@eldoradoband.com](mailto:drumline@eldoradoband.com)

# Welcome to the 2019-2020 EL DORADO MARCHING BAND AND COLOR GUARD!

## Registration

All participating marching band and color guard students are responsible for turning in a Registration Packet. Forms can be found on the web site: [www.eldoradoband.com](http://www.eldoradoband.com).

Please take the time to be sure that all required sections on the forms are complete and signed. Bring your Registration Packet to Registration day on Monday, August 5<sup>th</sup>, 4-8pm. Packets may also be scanned and emailed to [vpres@eldoradoband.com](mailto:vpres@eldoradoband.com) or turned in to the black box during a time when the band room is open (see email for band room open times).

**THE PYLUSD LIABILITY POLICY REQUIRES THAT EACH STUDENT RECEIVES A PRE-PARTICIPATION PHYSICAL AND SUBMITS THE DISTRICT FORMS IN ORDER TO BE CLEARED FOR PARTICIPATION IN FIELD ACTIVITIES.**

## Fair Share Contribution

The El Dorado Band and Color Guard program offers a wide variety of competitive performance activities for the students **that extend far beyond the basic high school music course curriculum**. El Dorado's Band and Color Guard is a comprehensive competitive program that includes the Parade Unit, the Field Show Unit, the Concert Bands, the Winter Drumline, the Winter Guard and the Jazz Bands. Each of these activities are competitive teams, and the costs incurred in providing these opportunities for our students are **NOT subsidized by the Placentia-Yorba Linda Unified School District**. Therefore, there is a need for contributions from each student's family; otherwise, these programs are at great risk of being scaled back. Some examples of program costs include: salaries for additional instructors, transportation, competition fees, show design, uniforms, insurance, food for students at competitions, and student awards. The Band and Color Guard program organizes many group fundraising activities to keep the need for student Fair Share contributions as low as possible.

Please see your email for a breakdown of this year's costs. **Additional contributions will be requested for Winter Guard, Winter Drumline and Jazz Band participation.**

Your support via your Fair Share contribution helps to keep the booster program financially viable so that we may continue to support the ongoing history of program excellence at El Dorado.

For information regarding payment options, especially summertime payment and payment plan options, contact: [finance@eldoradoband.com](mailto:finance@eldoradoband.com).
