El Dorado High School

1651 N. Valencia Ave, Placentia, CA 92870

714.986.7588

Hello,

We are the El Dorado High School Golden Hawks Instrumental Music Program. Our program consists of the Marching Band, Concert Bands, Jazz Bands, Percussion Ensemble, and Color Guard Ensembles. As members, we all take a lot of pride in our band program and realize that our overall high school journey is greatly enhanced through these shared experiences.

One of the biggest challenges we face in our program is meeting the financial demand it takes to run our organization. We fund our program through individual "Participation Contributions", as well as with fundraisers organized by our booster parents. It is only in raising these funds that we are able to participate in local competitions, purchase new instruments, hire additional instructional staff and much more. As our program continues to grow, and as costs increase each year, we are continually in need of additional funding to help us maintain our program curriculum. We must raise over \$300,000 each year to keep our program running.

This is where you can help!

As a member of our local community, we hope you will choose to be a part of this fantastic program. We have included a brochure detailing our donation-based fundraiser, "Help-a-Hawk". This program allows local vendors, like you, to send in tax-deductible donations directly to the EDHS Instrumental Music Program. Although there are recognition incentives for larger amounts, every donation amount helps! Please look through the brochure and consider donating!

There are two ways you can contribute:

1. Fill out the brochure and send in the information portion with your donation.
2. Visit www.eldoradoband.com/PayPal and make a donation online.

Thank you for taking the time to read this letter and for your consideration to donate. We look forward to hearing from you and hope you can join us at one of our performances!

Go Hawks!
