

# KYOTO TACHIBANA HIGH SCHOOL

SPONSORED BY THE JOHN F. KENNEDY BAND AND GREEN BAND ASSOCIATION

Host an Exchange Student from the Japanese Green Band

Currently we have 200 Green Band students coming from Kyoto Tachibana High School. Part of their experience is to live with an American Host Family for a few days. The students would be in your home the nights of December 30, 2017 and January 1, 2018.

You would be paid to host \$25 per night for each student hosted or \$50. This money would be used to cover meals at your home to include some breakfasts, lunches and dinners.

The next Japanese Green Band is arriving in December from Kyoto Tachibana High School. Their tour includes Disneyland with a parade performance, a workshop to a Disney movie and sightseeing. A band festival performance at Pasadena City College. Rose Parade performance on January 1, 2018. Finally a Benefit Concert at John F. Kennedy High School's very own Performing Arts Center on January 2, 2018

You can find more information and the host family application on the back of this flyer or at

[http://www.kennedyband.org/green\\_band.html](http://www.kennedyband.org/green_band.html).

Sincerely, Henri Soucy

We are so proud of all the host families that have always come through since 2007 when the John F. Kennedy High School Band first became involved with this very special Green Band Student International Music Exchange.
