## Booster President's Message

Boosters,

What a weekend!! A quick story. I was walking back to our staging area last night at Chaffey in my MIB shirt, another "dad" happened to be walking next to me, and he commented that he thought it would be amazing to have the amount of parents and support we had, and oh what he could do with that. He went on to say that for his kids there was only a group consisting of himself as the booster president, and 2-3 other parents for his entire band. I told him thanks, and that I thought we are pretty fortunate to have the support we do from our parents, and I think no matter how many parents we have, we all do what we can to make sure our "kids" are taken care of. We wished each other well for the day and went back into dad mode.

As we settled into our spots in front of the stands after the band got on the field last night, and the MIB (as we always do) shared a collective sigh of relief when the "you have 1 minute..." call comes in, and we're already clear and things are working...I looked up and could only say, "WOW". The sight of our Golden Hawks, as they are staged on the field ready to perform, is a pretty amazing sight.

We are truly blessed to have all of your investment in this program. For all of the student rehearsal time, behind the scenes there are hundreds of additional hours collectively put in by our boosters each week to make sure we get the students to "EIDo Time" on the field. It takes an army, and ours is pretty awesome.

For all the sewing, shopping, hair spraying, glittering, gluing, sanding, painting, assembling, towing, feeding, welding, sawing, and helping...thank you!

As a long-time mentor reminds me frequently, "the best is yet to come" for this year. If you've been thinking about coming out to a show (or a Monday rehearsal) and haven't yet, or if you're on the fence about being more involved in the program, we'd love to have you...and I know, when you come out, you too will say "WOW".

Thank you parents for all that you do.

Andy Shomph  
EDHS Band Booster President

## Food Committee

Wow, I just want to say thank you to all of my amazing Food Committee family members. Saturday night was incredible, and we even rolled through with the craziness of not knowing where we would set up, and the band being ready before we were, so again, thank you. Huge shout out to Andy Shomph for being our test kitchen chef, Steve and Renee Beach for always being there to get us to the event, and Christine and Ken Ostaszewski for being our food carriers. Also, thank you to all of our amazing chefs who baked the pasta! The kids and staff loved it. Everyone who was there last night was absolutely amazing, I could not do it without you.

Our next event is on Saturday, **November 2nd**, down at **Mira Mesa**. We will be serving Fried Chicken and Mac N Cheese. The Mac N Cheese was a huge hit last year, so I will need help cooking again for this event. I will have the sign-up genius ready this week so look for my email! The link will also be in next week's Land of Band.

For this event, we are asking for all families with the last names "**K-M**" to please contribute **2 dozen homemade or store-bought desserts**. Please, **NO NUTS** and package your desserts in a disposable container.

**One last thing, I need some parents who would like to help with rolling our forks.**

**Please email me at [food@eldoradoband.com](mailto:food@eldoradoband.com) or [crystalfoodedhs@gmail.com](mailto:crystalfoodedhs@gmail.com)**

Thank you again,  
Crystal
