

Land of Band and Color Guard

Congratulations

Congratulations to our World Guard and Winter Percussion Ensemble for their appearances this past weekend!

Winter Percussion completed another successful season at SCPA Championships and finished in 6th place in the Open Class. They had a strong showing and they have continued to improve from year to year. We look forward to seeing their progress as we start to prepare for the fall season.

Our Winter Guard spent a great week at WGI World Championships in Dayton, Ohio and had a great three day run! They were ranked 8th overall after Prelims, moved up to 7th place after Semis, then finished in 6th place at Finals! This is the highest ranking El Dorado has ever experienced.

Thank You to all of our performers and staff for their time and dedication to this activity and for representing El Dorado at a high level. And a **Special Thank You** to all of our parent volunteers who have helped behind the scenes and on show days to make sure that our students were taken care of. You are appreciated!

President's Notes

Winter Drumline season has come to a close with an amazing performance by our students. They placed 6th with a score of 88.863 at the SCPA finals held at CSU San Bernardino! Way to go drumline! Our World Guard traveled to Dayton, Ohio for the WGI Championships and shared what Golden Hawks can do claiming 6th place with a score of 91.7! What an awesome season so far with just 1 more performance to go. We are drawing closer to the Jazz Championships in Folsom, California and I just can't

wait to see what happens there. Be sure to catch any performances you can and support our wonderful performers. Let's go Hawks!

6TH - EL DORADO HS (91.700)

El Dorado High School transfixed the audience immediately in their production *On the Outside*. Somewhat Elevated with a fast-paced dance feature into a silent rifle toss. These performers weren't afraid to take risks, tossing rifles while jump roping over another performer. The show continued to draw the audience's attention with a beautiful ensemble flag moment, a line of front walkover tosses, and a plethora of partner work and weight sharing. El Dorado moved with emotion and passion, and with energy in every moment. These confident performers continuously elevated their performance, ending this intense show on the most elevated part of their floor.
