Instrument Weekly Checks

It is each student's responsibility and the expectation of our program, to make sure each instrument is in good working order/cleaned frequently.

All Brass must have all slides, valves, and mouthpieces cleaned and oiled appropriately. Silver Brass must be

polished. See Mr. Smith for silver polish.

All Woodwinds must have 2-3 working reeds at each rehearsal/performance. Please date each reed with a marker. (For example, if you open a new reed today, write 9/1 on the stock of the reed).

Here are some [good reed case](#) options for not too much money. [Altos/Clarinets](#), [Tenor Sax/Bass Clarinet/Bari Sax](#).

There are other fun options as well like [these colored options](#). Try to get something that holds at least 2-4 reeds, is flat, and protects them from breaking.

*Optional - Also a great deal right now are [WW mouthpiece pads](#).

**Something is better than nothing
however please have these items
ready for your instrument check. You
will receive 10 points for a
working/cleaned instrument at these
checks. These are graded
assignments.**

Week 3 - Alto Sax and Trombones
Week 4 - Tenor Sax and Baritones
Week 5 - Low Reeds and Tubas
Week 6 - Flutes and Trumpets**
